Notes on usage

copyright

The online documents, websites and web portals including their parts are protected by copyright. They may only be copied and printed out for private, scientific and non-commercial use for information purposes. We expressly allow and welcome the citation of our documents and websites as well as the setting of links on our website.

Disclaimer of liability

All information on this website has been carefully checked. We strive to keep this information up to date, correct and complete. Nevertheless, the occurrence of errors cannot be completely ruled out. A guarantee for the completeness, correctness and up-to-dateness can therefore not be given.

The publisher can change this website at its own discretion at any time without notice and / or discontinue its operation. He is not obliged to update the content of this website. Access to and use of this website is at the user's own risk. The operator is not responsible and assumes no liability for damage, including direct, indirect, accidental, specifically to be determined in advance or consequential damage that allegedly occurred through or in connection with the access and / or use of this website.

The operator assumes no responsibility for the content and availability of third party websites that can be reached via external links on this information offer. The publisher expressly distances himself from all content that may be relevant in terms of criminal or liability law or that is contrary to common decency. When requesting content from this website, access data is saved. This is data about the page from which the file was requested, the name of the requested file, the date, time and duration of the request, the amount of data transferred and the access status (e.g. file transferred, file not found). These stored data are only evaluated for statistical purposes and are never passed on to third parties. If there is the possibility of entering personal or business data (e-mail addresses, names, addresses) on the website, the input of this data takes place voluntarily.

Photos - image rights and proof of origin

Image rights

Duplication or use of the images in other electronic or printed publications is not permitted without the express consent of the author. Thanks to colleagues from various institutions for providing photos that were previously used for publications, including here on the Internet.
